"Look who's smiling now!"

Get in on the PROFITS in SMALL ENGINE service and repair Start your own money

BEAT INFLATION!

Cash in on the huge demand for small engine repair.

Work part time, full time right at home - we help you every step of the way.

making business!

In just a short time, you can be ready to join one of the fastest growing industries in America...an industry where qualified men are making from \$10.00 to \$15.00 per hour...and that's just for labor. Parts, engines and accessories add even more to the profits.

Because the small engine industry has grown so quickly, an acute shortage of qualified Small Engine Professionals exists throughout the country. In fact, it's not unusual for a good small engine man to be three to four weeks behind in the summer and at least a week behind in the winter. When you see how many small engines are in use today, it's easy to understand why qualified men command such high prices—as much as \$17.50 for a simple tune-up that takes less than an hour!

46-million small engines are in service today!

That's right—there are over forty-six million 2-cycle and 4-cycle small engines in service across the U.S.A. That's the official count from the Engine Service Assn., and new engines are being built at a rate of one-million per month! With fully accredited and approved Belsaw training, you can soon have the skill and knowledge to make top money servicing these engines. Homeowners and businessmen will seek you out and pay you well to service and repair their lawnmowers, tillers, edgers, power rakes, garden tractors, chain saws, mini-bikes, go-carts, snowmobiles, generators, sawblowers, paint sprayers...the list is almost endless.

No experience necessary.

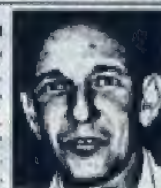

You don't need to be a 'born mechanic' or have prior experience. If you can read, you can master this profitable trade right at home, in your sparetime, without missing a single paycheck. Lessons are fully illustrated—so clear you can't go wrong.

You receive trade secrets and business plans.

We guide you every step of the way, including tested and proven instructions on how to get business, what to charge, how to get free advertising, where to get supplies wholesale...all the "tricks of the trade"...all the inside facts you need to assure success right from the start.

Increased Income

"I've had about 8 years experience repairing small engines...but repairs were only minor...until I started the Belsaw Course."

Walter H. Strick
Campbell, California

With our famous 'learn-by-doing' training method, you get practical 'hands-on' experience with specialized tools and equipment that you'll receive with your training plus a brand-new 3 HP engine—all yours to keep!

THE SHEIK NO GRAPPLING FREAK, JUST BLESSED WITH MYSTIC POWERS

Outside the ring, The Sheik provides a marked contrast to the mat maniac who stops at nothing in his quest for victory.

6 / Big Book of Wrestling — March 1977

Prior to a match, The Sheik goes through a ritual in which he prays to Allah, who the mat villain claims provides him with mystic powers.

One of the mystic powers The Sheik claims he is blessed with is the ability to control fire, and the many opponents who have been "burned" by The Sheik won't argue the point. As usual, The Sheik's manager Eddie Creatchman rants in the foreground.

"You don't need to answer,
You don't need to speak.
I'll be your belly dancer,
and you can be my Sheik."
— Maria Muldaur
from "Midnight at the Oasis"

The Sheik. Without a doubt the most feared individual in professional wrestling today. A stocky, repulsive-looking, unshaven man-beast, he lurches and staggers around the ring like a wounded grizzly bear stalking a chipmunk for his supper. All the while there are terrifying grunts emanating from his throat, cunningly calculated to strike fear into the hearts of any and all opponents, reducing them to mere shadows of their former selves. Sometimes to jelly, without a trace, even. It is a gruesome sight.

"Ha-TOON, ha-TOON," he growls, sneering at his cringing foe. Language experts and scholars disagree as to the exact English interpretation of this cold-blooded chant, but all agree it is tantamount to the kiss of death. Some believe it is Arabic for "Kill, kill". Others insist it means "You die, you die". And still a third diehard group of linguistic authorities from Columbia University swear by the version "Maim, maim" — no relation to the Broadway play of the same name.

The truth is that there is no direct

translation for The Sheik's adopted war cry. Suffice to say that his incantation serves its purpose. It is The Noble Sheik's quaint way of serving notice that he is about to annihilate his victim, tearing him limb from limb in the process and smashing him to smithereens if need be.

FANS MOST FEARED FOES OF THE VILLAINOUS SHEIK

There is fire in his eyes as he pounces, and often fire in his manner. Cynics, in fact, have been known to accuse him of actually controlling fire with his hands and having it do his bidding, like some sort of human bunson burner. But The Sheik vehemently and violently denies this charge: "The fire comes from Allah," he explains through manager-interpreter Eddie Creatchman. It is with a tremendous degree of pride that The Sheik lists Andre the Giant as one of his innumerable victims of pyremania.

"He is a big man but I handled him too," sneers The Sheik in a burst of modesty. "I put the fire on him and singed him good. Ask him about it some time. He remembers me very well. I can name at least 25 wrestlers

who have been "burned" by me. After that, I lose count."

Well, what about the referee? Why wouldn't he stop such inhuman (subhuman) torture?

"Aha," The Sheik replies. "I have many powers. I can put the referee in a trance too, so that he doesn't even realize what's happening. I often put myself into a trance so that you can beat me up all night and not hurt me."

Amazing. Scientists would scoff and choose not to believe, but The Sheik is living proof incarnate. Since he traded in his camel in the desert for a pair of wrestling tights and pointed boots 18 years ago, The Sheik has indeed become one of the most powerful men in the business. He is respected (and hated) in Montreal, Los Angeles, Tokyo, Paris, Melbourne, Detroit, Munich, New York... you name it, he's been there.

Other than his activities in the ring, not much is known about The Sheik. And that's the way he likes it. His background and personal life remain a deep, dark secret as he stubbornly refuses to submit to newspaper and magazine interviews which he considers an invasion of privacy and a threat to his well-being.

Still, The Sheik Mystique continues to pack 'em in on five continents and Sheik Freaks shriek over the despicable and often unmentionable atrocities he commits on those who dare to confront him on the mat.

"It is not I, it is Allah," The Sheik replies when asked why he used an ice pick on a certain adversary much in the same manner as a porcupine would transform an attacking fox into a pincushion. "When I need Allah, I talk to him," The Sheik explains. Yet it is The Sheik who owns the all-time pro wrestling record for career suspensions, not Allah. When you come right down to it, what wrestling commission in its right mind would dare to suspend God?

ALI, SHEIK GOOD FRIENDS

But where there is smoke, there is fire (oops, here we go again) and The Sheik has the credentials to show that his claims are no idle boasts. "I have been United States champion for the last 10 years, and nobody ever beat me," he declares. "Barring disqualification, of course. "I'm in big demand all over the world, and everybody knows me," he says, proudly. "When your run-of-the-mill local wrestler leaves town, nobody ever heard of him."

Does The Sheik ever take a respite from the circuit to rest his weary bones? "In the last eight weeks, I've had no days off and I've travelled from coast to coast," he said. "But I love it. It's my life, and I just love to beat up people. In the space of two weeks I've hit places like Toronto, Dayton, Ohio, Montreal, San Francisco, Los Angeles, Amarillo, Texas,

From what little facts they have to work with, historians have been able to ascertain that this phenomenon known as The Sheik (he has often been referred to as the seventh wonder of the world) was born in a small unpronounceable town near Beirut, Lebanon, sometime in the early 1930s. What happened next is anybody's guess, but some Sheik devotees claim to have traced his ensuing migration to an area somewhere in central Michigan, a contention which The Sheik emphatically and categorically denies. ("They just think that because I work out of Detroit a lot," The Sheik mutters contemptuously.)

The Sheik compares himself to boxing counterpart Muhammad Ali, whom he helped train for the recent War of the Worlds between Ali and Japanese wrestler Antonio Inoki. "I'm the greatest, that's all there is to it," The Sheik proclaims in a burst of unoriginality.

In his hunger for victory, The Sheik will stoop to anything as he shows here in putting the bite on Abdullah The Butcher.

MONEY!

beyond your wildest dreams...

Ever thought of starting a business of your own? Sure you have! But, today you need unlimited funds to get started and even then it's a big gamble—with a small chance if any, of really making big money. Right? Wrong!!!

Take two minutes to read this ad. It may change your life!

With \$100. and a telephone you can shatter your 8 am. to 5 pm. existence. Long ago I left my forty hours a week 'job.' Now I am my own boss. I come and go as I please. I take days and weeks off at a time, anytime I wish! Many days I am able to sleep till noon (Most of the time I do). And, my business continues to operate 12 hours per day, 7 days a week.

In less than 2 months weekly earnings in excess of \$1000. were becoming a very common reality and, that was just the beginning!!! Sounds too good to be true? Not at all!

I BEGAN WITH \$100. AND A TELEPHONE...

When I started my business there was no service like it in the entire city of Syracuse, New York. Six months later—there were three others in operation in the city. All are enjoying great success!

Today I am president of my own corporation. My offices have been described as "very plush" and are now located on the busiest street in my city. I employ 3 receptionists who answer thousands of calls each week. Not including my answering services. Before I go any farther I want to clearly state:

THIS IS NOT TELEPHONE SOLICITING OR COLLECTIONS OF ANY KIND!

Each and every money making call is an *in-coming call*! I have received checks from people in almost every state in the country as payment for my service.

I SELL NO MATERIAL PRODUCTS!

I provide a service very much needed by almost everyone several times during their lives. A *dynamic service* so simple you can perform it with no special skills or education right from the privacy of your own home! People will seek you for the unique service you provide and then, eagerly pay a fee that you establish!

No large outlay of capital is needed (I began with \$100.), you can easily begin with less! There is no need to leave your present job, however, soon you may want to. In fact you could begin tomorrow and make more money in one day, than you are probably earning all week!!!

I absolutely guarantee you will have hundreds of persons calling for your service the very first day. Again I must remind you: THIS IS NOT TELEPHONE SOLICITATION OF ANY KIND. THIS IS NOT TELEPHONE COLLECTIONS OF ANY KIND. THIS IS NO MYSTICAL 'POWER.' THIS IS NOT A MAIL ORDER SCHEME OF ANY KIND. THIS IS NO FRANCHISE OFFER. THIS IS NO THINK BIG TYPE OF MATERIAL.

What you will be mailed is an *opportunity* and, a step by step completely guided plan for you to begin your own very successful business.

This money making idea is so fantastically unique that I can safely claim:

IT HAS NEVER BEEN OFFERED TO THE PUBLIC BEFORE! NOT AT ANY PRICE!

When you decide to begin your business you are never alone! I stand ready to offer you personalized instruction and professional consultation at any time.

I will show you the opportunity of making money... beyond your wildest dreams!

ABSOLUTELY NO RISK—I will mail you the idea and guide for \$10. (my cost) by return mail! Read it over for ten days as my guest. Then, after discovering yourself the incredible potential of this idea, mail me the balance \$9.95 at your convenience! If you don't agree the idea is worth 100 times its cost, return it. Detroit, then back to California and out to Japan and New Zealand. I often travel 14,000 miles in one week. I sleep in airplanes. I close my eyes and shut everything out of my head."

Obviously at upwards of \$300 or so a crack, The Sheik must be a highly wealthy man. "Sure, I'm rich" he admits. "Rich with happiness that I'm still breathing. Money doesn't make you rich. When I pray to Allah before a match, I don't pray for money."

Since most of The Sheik's wrestling foes are pushovers for such formidable opposition, his worst enemies are often the fans. "I've been shot three times and stabbed four times," he relates. "I was staying at a hotel in Oshawa, Ont., recently, waiting for my match to begin, when I stepped out onto the balcony for a breath of fresh air. Before I knew it, some guy jumped out of the balcony above me and tried to land on my head. I won't tell you what happened to him. But you've got to be careful and watch what you're doing. You need eyes in the back of your head."

Although he speaks no English, The Sheik seems like a pleasant enough character when you meet him on the street. Contrary to popular opinion, he doesn't go around assaulting passersby.

"My business is in the ring," he announces. "In the ring, I am in another world, you can't explain it, unless you've been there. Some wrestlers go into the ring and they don't know what they're in there for."

Yes, but are such rough tactics necessary? "I am a gentleman and a scholar at all times," he maintains. "Some people think I am too rough? Well, that's THEIR opinion. Everybody has a different outlook on things," he says, conveniently overlooking the ever-present ice pick, screwdriver, pencil and other assorted weapons in his arsenal.

When The Sheik is billed to wrestle in Montreal, he must perform in outlying areas such as suburban Verdun which is not governed by the prudish Montreal Athletic Commission. He

has been suspended from working in the city proper. "They must be a Jewish commission," the Arab grins. "They think I'm too tough for 'em. They've got a lot of nerve. They're too strict. I never use any violence," he adds, tongue in cheek.

As the rough, tough customer he is, The Sheik proved an ideal instructor, trainer and sparring partner for Ali as the latter attempted to learn the ins and outs of the wrestling game in preparation for his much-ballyhooed confrontation with Inoki.

"We sparred in Arizona," The Sheik recalls. "Ali is a friend of mine. I'll be in his corner for his next fight. Inoki was scared of him. He had to be; he wouldn't get up. The strange thing about it is that I beat Inoki in Okanawa last year. That makes me the

The camel clutch is The sheik's pet hold, and here he tries it out on Dick The Bruiser.

While one of his co-managers, Eddie Creatchmen screams into the microphone (right), The Sheik performs another of his amazing feats by eating cloth. He also is known to eat paper when the mood strikes him.

A million jobs have disappeared since 1960 Will Your Job be Next to Go?

Shouldn't you start your own business NOW
...while still employed?

Before more jobs disappear through mergers, automation, and mechanization, shouldn't you at least investigate the way so many men have become owners of profitable businesses—starting spare time and now are independent of bosses, strikes, layoffs and automation? All that's needed is your name on the coupon. Facts mailed free. No salesman will call.

Here are facts: With some ambition and less than fifteen hundred dollars, you start your own Duraclean business, spare time, without risking your job or paycheck!

It's a nationally advertised, worldwide business. It does not require skill, more than an average education, or traits except the willingness to work to start grossing \$12, \$19, or \$26 profit per hour. By return mail, we will explain how.

You build by adding servicemen and/or servicewomen . . . and we pay for their equipment so you can expand rapidly

This is a service to homeowners as well as offices and stores and institutions—a sensationally improved method of cleaning carpets and upholstered furniture right on the customer's premises—the EXCLUSIVE DURACLEAN SYSTEM!

When you have had your own carpet and furniture cleaned, you know that ordinary methods grind fibers with harsh scrubbing, leaving carpet soggy for days.

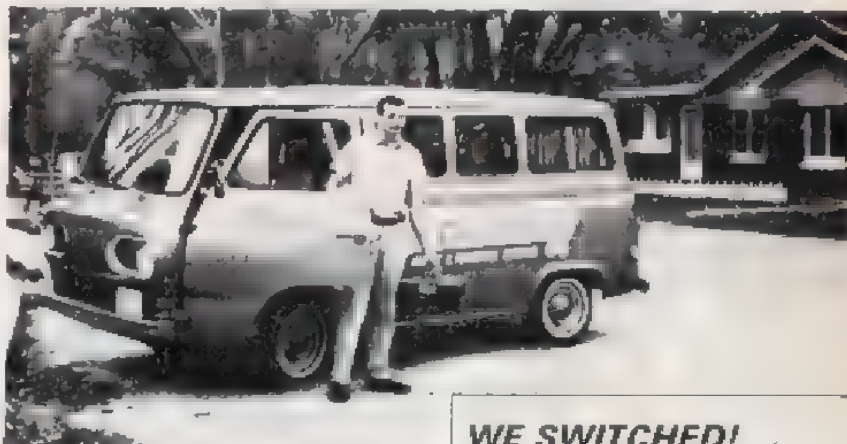

This exclusive ABSORPTION METHOD lifts out dirt and greasy soil with a gentle, almost dry foam. Do-it-yourself "so-called" cleaning methods and scrubbing drive soil deeper. You TAKE IT OUT. Carpets and furniture can be used again in a few hours! This is vital to stores, offices, motels.

You operate under a nationally known name—use an exclusive process recommended by the nation's leading carpet mills and in the editorial pages by House & Garden, McCall's, Parents, and House Beautiful. You receive our step by step guidance and help.

Your training shows you how to perform your 7 superior "on location" services . . . how to get customers, how to control your expenses, how to make the maximum profit. You become an expert in the care of furnishings. It is an interesting, exciting career.

Although in time you will wish to buy one or more trucks from your profits, no truck or office is needed to start. You can carry all equipment in your car trunk. Your phone calls can be received at home.

As a Duraclean Dealer you are the sole owner of an independent business and are your own boss. You keep all the net profits.

This business can pay you far more than most men earn—with only the talent and ambition you now possess, and you can operate in any one of three ways.

Many let servicemen do the work while they make a substantial profit on each.

Some men operate permanently in spare time for the extra money they need. Some start in spare time and quit their jobs only after they see they can make a lot more money as a full time Duraclean Specialist.

Even small one-man businesses with one or two helpers can and do bring in \$30,000 and more annually. A very high percent is clear profit to you

The Duraclean Business can be as small as you want or it can be expanded to the level your ambition dictates. There is no limit on income for an ambitious man.

We are about to appoint a limited number of men who are truly ambitious, and anxious to do something about their futures. We want men who will follow our proven plans for success and who want—with our help—their own successful businesses.

If this opportunity interests you, please send your name, on the coupon at the right, for a FREE 24-page booklet which gives complete details on the Duraclean Business. No salesman will call on you. After you've read the facts, decide in the privacy of your home if you wish to take the next step toward starting a business.

The Sheik isn't adverse to using foreign objects — like pens, pencils and ice picks — to bring the claret flowing by gouging his opponents' eyes and forehead (below). However, sometimes the tables are turned as The Sheik discovered when Don Leo Jonathan attacked him with his own weapon.

heavyweight champ of Japan, because I never gave the bum a rematch.

"Ali and I think the same way," The Sheik informs. "That's why we get along so well together. Some people worry about things when there's nothing to worry about. But life on earth is so short, why worry about it? It's all mental. You could make yourself sick if you wanted to. Some guys have never been sick a day in their lives, yet all they do is complain. Me, I have my way of resting my mind. Call it transcendental meditation, if you wish. Ali, he relaxes by reading the Mohamedin Bible and studies it deeply."

The Sheik wanted to be in his buddy's corner for the momentous match in Tokyo against Inoki but it was not to be. "I told Inoki he's chicken and wouldn't get up." The Sheik recalls. "I was there but they asked me to leave the country. They didn't want me in Ali's corner. The Japanese people knew I had beaten Inoki and that, with my help, Ali could beat him too. I had to watch the fight on closed-circuit television. Later, Ali told me I was right. Inoki was chicken."

The Sheik has been called many names by fans and wrestlers who are angered by his tactics, but dumb he ain't. Since there is no pension available to wrestlers, he has already set about putting a number of pet projects into motion to ensure his future financial stability.

"Ali and I are business partners outside the ring, too," he explains. "I don't want to be left in the lurch when my wrestling days are over. Together we may go into television. I would like to see a new horror series on TV. Do you think I could qualify as one of the main characters?"

Undoubtedly. It would be a safer business, too, because wrestlers have a devil of a time trying to get insurance. "Nobody will cover you," the Sheik laments. "The rates go sky high as soon as you tell 'em what you do for a living."

Wrestling in the Montreal area recently went through a bit of a decline in interest until The Sheik came to the rescue to hypo gate receipts. "If there was a dropoff, blame it on bad promoters," The Sheik says. Obviously, he is not a man who minces words.

"It is like a man who brings the

MARTIN LUTHER KING WAS SHEIK'S IDOL

The Sheik's other official spokesman is Abdullah Farouk, who occasionally has to pay the price for interfering in The Sheik's matches.

circus to town without anybody knowing a thing about it. You have to make the public aware of what you're doing."

In any event, it seems to be more than mere coincidence that since The Sheik showed up in the Montreal area, the calibre of wrestlers there has been markedly upgraded. Suddenly, top-notchers such as Dominic De Nucci, Nick DeCarlo, The Stomper, Bobby Bold Eagle, Dr. Jerry Graham, Chris Colt and Pretty Boy Fulton began to appear on a quasi-regular basis. Drawn to the territory, no doubt, by the prospect of earning a match with The Sheik at some future date.

"They never had a change of talent around here," The Sheik analyzed. "You can't keep the same tired old faces around week after week and expect the people to keep their interest up."

No one has ever accused The Sheik of being a prima donna (for fear of retaliatory measures too horrible to describe here), but the wrestling kingpin insists on having private dressing chambers in each arena where he appears. "I don't dress with the other wrestlers because I cherish my privacy," he reveals. "After all, when Liz Taylor is making a movie, does she share her dressing room with the chorus girls?"

"You'll notice, too, that I never carry my own bags at the airport, hotel or arena. If I can't hire someone to look after my baggage, I let it go

SHEIK-CREATCHMAN ALLIANCE HAS BEEN PROFITABLE VENTURE

itself. And I don't drive. I always have a chauffeur. Why don't I drive? That's simple — because I don't want to Americanize myself."

Down through the years, other so-called 'Sheiks' have sprung up all over the world in an effort to cash in on the real Sheik's reputation. It's said that imitation is the sincerest form of flattery, but The Sheik doesn't buy that. "There is only one Sheik," he says, flatly, "and that's me."

Three years ago when there were two rival wrestling groups in Montreal, one organization announced the forthcoming appearance of The Sheik. The other group, attempting to squelch interest in the real McCoy, dreamed up a phony 'Sheik' and had him wrestle in the spacious Montreal Forum a week before the scheduled arrival of the real Sheik. The phony Sheik was defeated in 37 seconds in what appeared to be an obvious effort to denounce the real Sheik's ability. A few days later, the phony Sheik, admitting to the sham and revealing his name as one Dak Pak Singh, begged forgiveness, claiming he was forced into it. Luckily for him, The Sheik forgave.

"Right now there are 35 men trying to imitate me, but they can't. They can't put the same stuff in their heads that I do," he says.

Like Atlanta Braves temperamental relief pitcher Mike Marshall — the former Dodger Cy Young Award winner — The Sheik declines to sign autographs. "It is against my custom," he says. "Besides, I come here to wrestle, not to get writer's cramp." Occasionally, however, he will make an exception for a fellow celebrity.

"Even movie stars know who I am," he says. "You know David Carradine, the star of Kung Fu? Well, he happened to be on the same plane as me going to London once. Surprisingly enough he came up to me and asked me for my autograph. He's in Toronto now acting in a play,

but unfortunately I haven't had the time to go and see it.

"And you know his brother Keith? His song, 'I'm easy' is one of my all-time favorites. It says something. I saw clips of the movie (Nashville) and enjoyed what I saw of it."

Obviously a man as rigidly self-disciplined as The Sheik must be on a special health food diet, right? "Not exactly," he replies. "But I do drink a lot of juices and I'm very particular as to what I eat. I will often go all day without eating if I can't find a good restaurant."

The Sheik also does not smoke (outside the ring) or drink. "If somebody ever accuses me of beating up some guy in a bar, it's not true," he says. "I don't go near the joints — not even for a 7-up. I've been picked up for allegedly beating up people in different cities even when I've never even seen those cities. If I couldn't prove where I was at all times, I suppose I'd really be in trouble."

Before every match, The Sheik goes through a ritual. "I simply kneel down and pray to Allah," he explains. "Any other movements you may think you see are simply to keep my opponent off-guard. That way he

doesn't know where I'm going or what I'm liable to do next."

You would think a man as famous and notorious as The Sheik would idolize no one but himself. Yet that is not the case. "Martin Luther King was my idol," he states. "I believe in everything he stood for."

"One time Dr. King went into a white restaurant in the deep south and was told to stay out of sight. He was with a white friend at the time, and he said, 'How am I going to communicate with my friend if I'm in the kitchen and he's in a booth?'" Some stupid people bumped him off, though.

"I hate prejudice. Of course, I'm exposed to it because I travel a lot. Some people are like animals. They would begrudge a man his rights because of an accident of birth. Arabs, Jews and black people are all in the same boat. Yet they are all better men than anybody."

Which may explain, after a fashion, why The Sheik entrusts his future to a Jewish manager. "Where else but in wrestling could an Arab get a Jewish manager?" he asks. "Creatchman and Abdullah Farouk (The Sheik's co-managers) do most of my talking for me. I'm the only wrestler in the world to have two official spokesmen."

Creatchman has been in the wrestling business for 25 years. He started off as a referee, then became a wrestler when he saw it was more lucrative, and finally switched to managing.

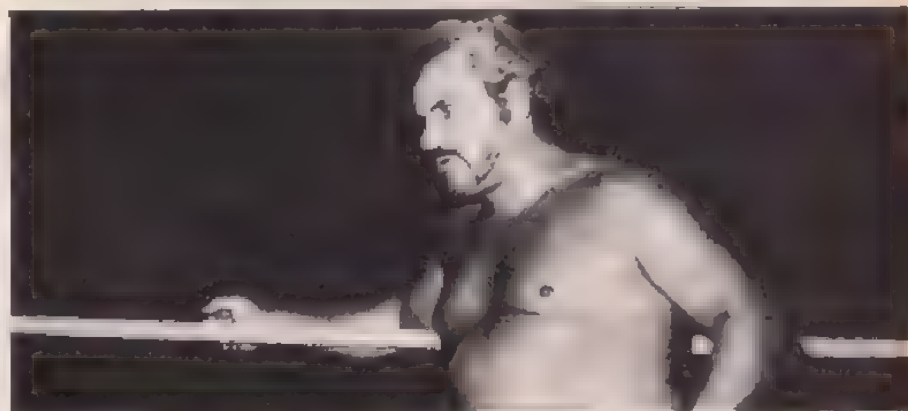

"Abdullah the Butcher was the first one to see my hidden managerial talents," Creatchman recalls. "He said I could make a lot of money if I handled his affairs for him, and he was right. Now I handle people like The Sheik, Michel Dubois, the Castillo brothers and Serge Dumont and I'm making gobs and gobs of money. I'm the one who gets them booked."

Creatchman prides himself on his marks of distinction. "Firstly, I'm the most popular-unpopular manager in the world," he crows. "Secondly, a Montreal French-language radio station just named me as the Ugliest Man in the province of Quebec. There were 54 contestants, and I beat them all out. Sure I'm proud of it, because any publicity is good. But I don't understand why people don't love me."

One possible reason why they don't love him is because Creatch-

man is forever interfering in his proteges' bouts, poking his nose into match after match, affecting their outcome. A subtle trip here, a flagrant push there. At times he has even been known to use an electric cattle prod to shock his man's opponent into submission. Fans never fail to whip themselves into a frenzy protesting his various diabolical plots and schemes to give his boys the edge.

"I actually risk my life out there because people hate me so much," Creatchman says. "They always pick on me because I'm the smallest guy. But it's actually a love-hate relationship. They still pay to see me manage. And I'm like a little mouse, I always find a hole to get away from them. I'm 48 years old but I feel like I'm 25 or 30. I'll keep aggravating them

if looks could kill. The Sheik's opponent would be dead as the mysterious mat man studies his foe intently before swinging into action.

(the fans), because I'm not ready to quit yet."

Creatchman thrives on fame and fortune. "Wherever I go, I'm recognized," he says. "People even try to pass me on the highway to make sure it's me. They'll go 80 or 90 to get a glimpse of me, and after they're satisfied, they'll slow down. They would even risk having an accident just to get a peek at me."

Of his unorthodox working friendship with The Sheik that some claim has gone more towards consolidating Arab-Jewish relations than all of Henry Kissinger's trips put together, Creatchman cackles: "He gives me oil and gas and I help him make money in exchange."

"The Sheik is a nice and generous man. He is also one of the richest. When he's not wrestling, he lives a life of leisure. He owns a 45-room mansion in the United States and has

servants and chauffeured limousines. He lives like a king."

So why does he bother to wrestle then, when he can obviously spend the rest of his days in some tropical paradise, whiling away the hours sipping pineapple milkshakes through a straw while bikini'd harem girls do his bidding and dance a fandango nearby, alternately fanning their beloved Sheik and shielding him from the sun's strong rays?

"The Sheik loves the business," Creatchman shrugs. "Without it he would probably go bananas." That's GO bananas, folks, not GROW bananas. Banana farms these days just don't pay what they used to."

"All of my wrestlers are just one big happy family," Creatchman claims. "And I'm the Godfather of them all."

If Abdullah the Butcher is like a father to me, then The Sheik is like a brother. I usually travel with him everywhere. He treats me first-class."

Long after Creatchman and The Sheik and Abdullah the Butcher and others in Creatchman's stable have gone to meet their maker (or Allah, as The Sheik prefers to put it), their ghost may live on in the person of Creatchman's 19-year-old son Floyd.

Though some scoff at Floyd's potential because of his relatively light size (at last weigh-in he tipped the scales at a mere 155 pounds), proud papa Eddie swears the kid is going to fatten himself up and follow in his daddy's footsteps.

"He's taken advice from his father and he's studied The Sheik in action," Creatchman says, "and he does everything we do, nearly as good as we do it. He knows all the tricks in the book. He's been training and working out

can see what tremendous odds I had to overcome. All through my career I've had to whip guys who were bigger than me."

Perhaps Floyd Creatchman will gain 50 pounds and go on to fulfill the dream shared by him and his father by eventually becoming a superstar of the mat.

But the odds are that he won't be quite as successful as The Sheik. As the man said, there is only one Sheik.

Although his opponents usually wind up looking the worst for wear after a scrap with The Sheik, on some occasions it is The Sheik who winds up bloodied but unbowed.

CREATCHMAN HOPING SON FLOYD CAN FOLLOW IN SHEIK'S FOOTSTEPS

religiously (please, Eddie, keep religion out of this) and when he comes off the top rope with his arm in his opponent's throat, wow! It's deadly!"

"I am going to make wrestling my life's work," says Floyd. "People say I don't know how to wrestle scientifically, but I know different. The spectators are just jealous of me, because I know I'll be THE BEST some day. My one ambition is to be-

come champion of the world, and with my father in my corner there is no way I can abuse that chance.

"I don't only dish it out, I can take it too. That's the difference between me and other guys," claims Floyd, who of all his bouts to date is proudest of an unpopular victory the Cobo Hall in Detroit before 21,000 fans. "Every last one of those people was against me," he gloats, "so you

Eddie Creatchman is hoping that his son, Floyd will be able to follow in The Sheik's footsteps, but the youngster needs to put on some weight if he hopes to make the grade in the grappling game.

THE NIGHT THE INVADER SOUGHT REVENGE **MADRIL HAS THE INVAD**

Alberto Madril holds his head after Masked Invader No. 1 had scored with a karate chop before applying an arm bar.

E

ERS' NUMBER

Double your pleasure,
Double your fun;
Alberto Madril beat Invader No. 2
Can he beat No. 1?

After Madril had beaten his tag-team partner, Invader No. 1 came calling on Modesto, Calif., promoter Johnny Miller and angrily demanded a revenge match.

"The referee was on Madril's die and helped him beat my partner, Invader No. 2," exclaimed Invader No. 1. "Besides, the filthy Mexican was always trying to unmask my partner. When I get through with Madril, he will be back picking cotton in Texas."

Madril was thankful for a crack at Invader No. 1.

"As a tag team, the Invaders are almost unbeatable, but when they

wrestle solo they appear to lose a lot of their confidence. I beat Invader No. 2 fair and square, and I'm sure I can do the same to No. 1," explained Madril, one of the most popular performers in the Modesto area.

An infuriated Invader started fast, unleashing a vicious attack on Madril, stomping his opponent senseless, then ramming his head against the ring post before throwing Madril out on the ring apron.

While Madril lay helpless on the apron, Invader No. 1 strutted around the ring, shouting, "Look at your Mexican idol now."

Instead of following up his advantage, the masked man gave his opponent time to recover and this was to prove a fatal error.

While Invader No. 1 was counting his chickens before they hatched

by gloating over the victory prematurely, Madril was able to get his second wind.

Madril, who has been compared favorably to such mat superstars as Pepper Gomez and Mil Mascaras, never looked better as he turned the tables on the masked Invader.

Some spectacular shoulder blocks softened the masked man up. Then, the two engaged in a slugfest with Madril enjoying the advantage.

Madril followed this up with some spectacular flying dropkicks, whipped Invader No. 1 into the turnbuckle for good measure, then ended the match with a spectacular reverse shoulder press.

So, Alberto Madril had another big win under his belt and had proven he was the master of both of the Invaders.

Invader No. 1 not only had to swallow the bitter pill of defeat, but could always recollect on what might have happened if he hadn't given Madril the respite by parading around the ring in a premature victory celebration.

One thing is certain, Alberto Madril is the hottest thing to hit California since the tamale.

The outlook appeared bleak for Madril in the early going as the Invader put the boots to the popular Mexican mat star.

The secret of teaching yourself music

Learn piano, guitar, etc., at home in spare time

It may seem odd at first—the idea of teaching yourself music. You might think you need an expensive private teacher to instruct you—and to tell you when you make a mistake.

But, the fact is, you don't. Thousands have taught themselves to play with the U.S. School of Music courses. By mail. So can you.

The secret lies in the step-by-step way our lessons teach you. Starting from scratch, they show you with simple words and pictures exactly what to do. You learn to play the right way — by note, from sheet music. Without gimmicks.

But how do you know you're doing it right? Easy. A lot of the tunes you'll practice first are simple songs you've heard before. Since you know how they're supposed to sound, you can tell when you've "got them right."

By the time you go on to more advanced pieces, you'll be able to tell if your notes and timing are right, even without having heard the songs. Before too long, you'll be playing different kinds of music: ballads, old favorites, show tunes, or hymns.

For more information about this convenient, economical way to learn music, mail the coupon. We'll send you our free booklet, "Be Your Own Music Teacher" and a free "Note-Finder." No obligation.

A black and white photograph of two professional wrestlers. The man on the left is standing, wearing a cowboy hat and a vest, with his arms crossed. The man on the right is kneeling, also wearing a cowboy hat and a vest, looking up at the standing man. Both have mustaches. The background is a plain, light-colored wall.

An awesome tag-team combination, The Blackjacks, once held World Wide Wrestling Federation championship. Standing is Blackjack Mulligan, while his partner, Blackjack Lanza, kneels.

Blackjack Lanza certainly isn't adverse to breaking the rules. Here, he clamps a headlock on Ivan Putski and is about to deliver a thumb to Putski's eye.

LANZA CONTINUES QUEST FOR ELUSIVE CHAMPIONSHIP

The dressing room was deathly quiet. That is except for the heavy breathing and hissing from the lips of Blackjack Mulligan. Mulligan was lying on the long dressing table. Standing beside Mulligan was his longtime friend and tag-team partner Blackjack Lanza, who had his hand on Mulligan's shoulder. Standing alongside Lanza was the Black-jack's manager Captain Lou Albano, who was puffing on his always present cigar. Both Lanza and Albano looked deeply concerned. Also in the dressing room was the WWWF doctor who was bandaging the right knee of Mulligan.

"Well Mulligan that knee must have some rest," said the doctor. "You've injured it badly enough this time to warrant at least a month's rest and maybe even more. You should have the knee x-rayed. My professional opinion is you stay away from active wrestling for six to eight weeks. If you should wrestle before that time you may injure the leg severely enough to be out of wrestling for six months!"

After the doctor left Captain Lou Albano finally spoke up, "This is all I need. First my Blackjacks have their World Wide Wrestling Federation belts stolen from them by Tony Parisi and Louis Cerdan and now that dumb idiot Ivan Putski puts Mulligan out of commission."

Blackjack Mulligan started to protest about stopping wrestling.

Lou Albano held up his hands and

said, "Listen to me for one minute. I won't have you jeopardize your career. You take that much needed rest and stay on your ranch in El Paso, Texas. When the time is right we'll get together again and regain those belts. Those are my orders."

Outside the dressing room Captain Lou Albano showed his concern and bewilderment. He commented, "I had these contracts signed for my Blackjacks to regain those belts. I also had contracts for both Lanza and Mulligan to win the belt from Sammartino. Now those title hopes are gone. Just because Putski wanted to show off to those dumb fans of his. He injured Mulligan's leg on purpose. I'll get even with that imbecile!"

Just then Blackjack Lanza emerged from the dressing room dressed to leave the arena. He said, "Mulligan is dressing now, Captain. He'll be leaving for El Paso on tomorrow's flight. He feels terrible about letting you down."

Captain Lou Albano replied, "You are my champions and never could let me down. My plans shall continue. You Blackjack Lanza will beat Bruno Sammartino for the WWWF title. You have contracts to wrestle. I have the fullest confidence you will bring home the title for me."

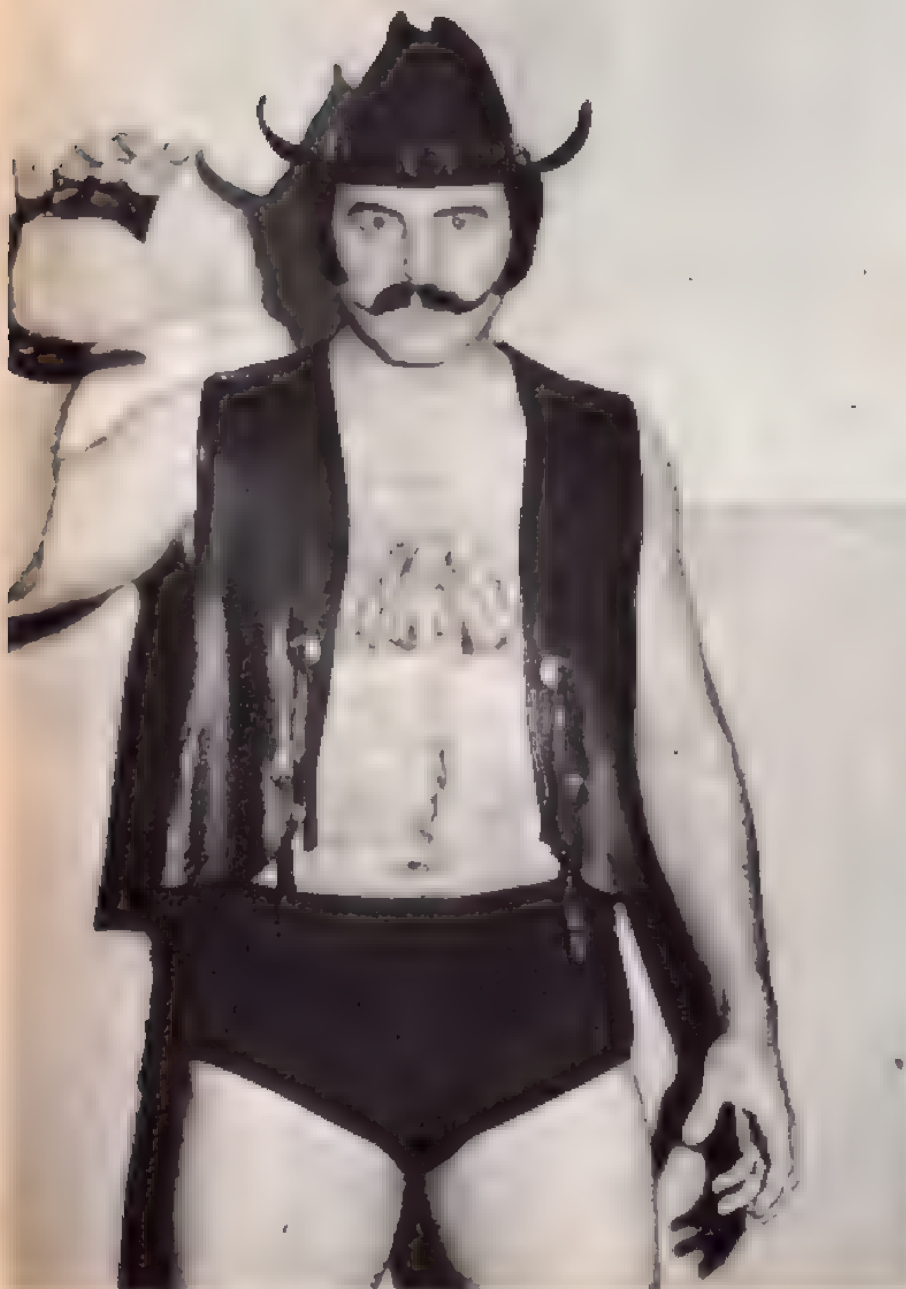

The chest of Blackjack Lanza swelled with pride from this comment. He nodded in agreement, "You know how much I want the world title. I'll do anything I can to win the belt. My claw will win the title for us. No wrestler can withstand my claw. I'll crush the tiny brain of Bruno Sammartino. That belt will be mine."

It was two weeks later when Blackjack Lanza did do battle with WWWF heavyweight champion Bruno Sammartino. The first few minutes of the match Lanza did well. He had Sammartino reeling from his onslaught and Captain Lou Albano was wringing his hands in pure delight.

Then, Blackjack Lanza tried to apply his dreaded claw. Only this time Sammartino caught the black-gloved right hand of Lanza in mid-air. Now, Sammartino started to crush the claw hand of Lanza who was cringing in pain.

Albano was now holding his head in utter confusion. Lanza finally made it to the ropes and Bruno released the hold. Lanza fought back with utter savagery. The match once

BLACKJACK HAS FAILED IN BIDS FOR THREE TITLES

again turned to Sammartino as he sent Lanza reeling from his attack.

Bruno grasped the black-gloved claw hand, held it on the mat and stepped down twice upon it. Now Lanza held his limp hand. Lanza could do nothing as Sammartino used two bodyslams and a pin to win. Lanza had failed to win the WWWF belt this time out.

After the match in his dressing room, Lanza had his right hand submerged in ice-cold water. He said, "My hand is not broken but I'm not finished with Sammartino yet. I'll get another chance against him. My mistake was I tried my claw too soon. He was ready for it. Next time I'll wear down Sammartino until he's exhausted and then my claw will destroy him."

Blackjack Lanza remembers the times he had tried to win not only the WWWF championship but also the two other world titles of the National Wrestling Alliance and American Wrestling Alliance. It has been the dream of Lanza to one day own the world title.

Blackjack Lanza says "I've tried to win these titles in the past. I once won the AWA belt from Verne Gagne some seven years ago. But the commissioners in Chicago reversed the decision and gave Gagne back the belt.

"Then a few years later, I tried to win the belt from Dory Funk Jr., but once again my efforts went down the drain. Funk held the belt in a technical decision.

"Then, I tried against Jack Brisco and as before I didn't win because he kept running from me.

"Then came Pedro Morales and the WWWF belt. That Morales was the most protected champion I've ever met. Only if Morales dropped dead in the center of the ring could I have won.

"Now it's Sammartino again."

To say Blackjack Lanza is one frustrated wrestler is putting it mildly. He is one of the few wrestlers to try to win the three major recognized world titles. He has come mighty close but not close enough.

The six foot-three, 265-pound wrestler from New Mexico says, "Sure I'm frustrated about not winning the title but I'm far from giving up hope. I have always felt I was better than the champions I wrestled. They were protected in many cases. They

Blackjack Lanza (right) and his manager Captain Lou Albano (centre) talk things over with wrestling commentator Vince McMahon.

used illegal means to keep the belt. My ability is second to none.

"Now you saw how this Sammartino feared my claw. He knew he couldn't withstand it so he injured my hand. Then that Brisco and Dory Funk Jr. used the ropes. They purposely tossed me over the top rope to get disqualified. I don't call that being a true champion."

Lately in the other two areas, new champions have been crowned. Nick Bockwinkle won the AWA belt from Verne Gagne. In the NWA, Terry Funk defeated Jack Brisco.

Where does this leave Blackjack Lanza? He comments, "Well my other road manager is and always has been Bobby Heenan who manages Nick Bockwinkle. As long as Nicky holds the belt I won't try to wrestle him. As for Terry Funk he better watch out. I know I can beat him easily. I don't have any alliance with him."

Blackjack Lanza did get another chance to win the WWWF belt from

Sammartino, but once again failed to apply his claw.

The defeat weighed heavily upon his face as he said, "This was my last chance against Sammartino. Captain Lou argued for weeks to get this match and now I must think about moving on."

"I talked with Mulligan a few days ago and his knee is still weak. I've also talked with Bobby Heenan and he wants me with him in the AWA area. He is managing Nick Bockwinkle and Cowboy Bob Duncum. He wants me with him and Captain Lou Albano has agreed. They are my two managers and what they say goes. Verne Gagne is still trying to win the AWA belt. I have unfinished business with him and that son of his, Greg. Bobby Heenan told me they are getting in his hair. I'm just the man who can send them packing."

What of his title hopes? Has Blackjack Lanza abandoned his life-long dream of being champion someday?

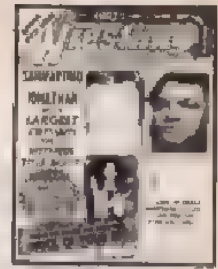

Says Lanza, "I will win the title

REVERSED DECISION SAVED GAGNE'S TITLE

don't worry. I'll go where the best possible matches are for me. I'm doing Heenan a favor by getting rid of some trouble for him. After that is taken care of, I'll head where my title chances are best. Soon you will hear Black Jack Lanza is the world champion. My claw will win me the world title."

THE HAITI KID NEWEST STAR OF MIGHTY MITES

The 4-foot-2, 97-pound Haiti Kid shows off his physique. The six-year mat veteran is one of the best of the mighty mites.

The Haiti Kid is making life miserable for Little John as he has his opponent in a figure-four leg lock.

When you hear the words professional midget wrestling you think of names like Sky Low Low, Fuzzy Cupid, Lord Roger Littlebrook, Little Beaver, Little John and Billy The Kid.

However, there's another great name in midget wrestling. His name is The Haiti Kid, one of the greatest, if not greatest, midget wrestlers in the history of the grappling game.

The Kid stand four feet, two inches tall, weighs 97 pounds and is 24 years old. He was born on the West Indies island of Haiti.

He first became interested in being a professional wrestler when he was 17 years old. He started training under Lord Roger Littlebrook. At the age of 18 he turned professional and has been in the profession for six years now.

People all over the world have had the thrill of seeing this superstar in action. He's been seen throughout Southern California, and the Pacific

Northwest as well as England, Australia, New Zealand, Japan and Canada.

His first professional match was against Sky Low Low in Hull, Que., Canada. The Kid lost his first match, but when a youngster debuts a mat veteran like Sky Low Low it's a rough introduction.

Since his first match he's wrestled such stars as Tokyo Joe, Little Bruiser, Johnny, Reb, Billy The Kid, Little Brutus, Little Atlas and has also defeated Sky Low Low.

His first tag-team partner was Sonny Boy Hayes, and their first match was against the team of Little Brutus and Sonny Boy Cassidy, in San Francisco, Calif.

Some of Haiti's other tag-team partners have been Bo Bo Johnson, Cowboy Lang, and Farmer Jerome. The team of Haiti Kid and Bo Bo Johnson has been most successful. In 1970, the Kid and Bo Bo won the world midget tag-team belts from the

team of Little Bruiser and Billy The Kid. They won the belts in Hawaii and proudly held the title for two years, successfully defeating every team they came in contact with.

In the ring, the Haiti Kid uses a variety of holds and moves. His favorite hold is called, "Crab Legs", which is a very painful hold. He uses this dreaded hold to win most of his matches.

Throughout his career as a professional wrestler, the Kid has come in contact with some pretty tough men. He considers the match against his good friend and ex-tag-team partner, Cowboy Bob Lang which took place in Kansas City, as his toughest. The match ended in a draw after one hour of hard battling. He also rates Tokyo Joe, Sky Low Low and Little Brutus among his other tough foes.

His bloodiest match was against Fuzzy Cupid in Australia. The match lasted 45 minutes and ended in a draw. After the match was over, The Kid required several stitches.

The Haiti Kid has been in every kind of match a midget can participate in. Once in Portland, Ore., he was in a mixed tag-team match with midget Bo Bo Johnson and the "Fujian Strong Man" Jimmy Snuka (6-foot-2) against the team of midgets Tokyo Joe and Little Atlas and Professor Dale Lewis (6-foot-3). Also he's teamed with Sylvia Hackney against the team of Sky Low Low and The Fabulous Moolah, who is the current women's world champion.

The Haiti Kid is certainly one of the greatest midget wrestlers alive. So if you ever get the chance to see this Little Superstar in action don't miss the opportunity. You'll be in for a treat.

MAT ACTION

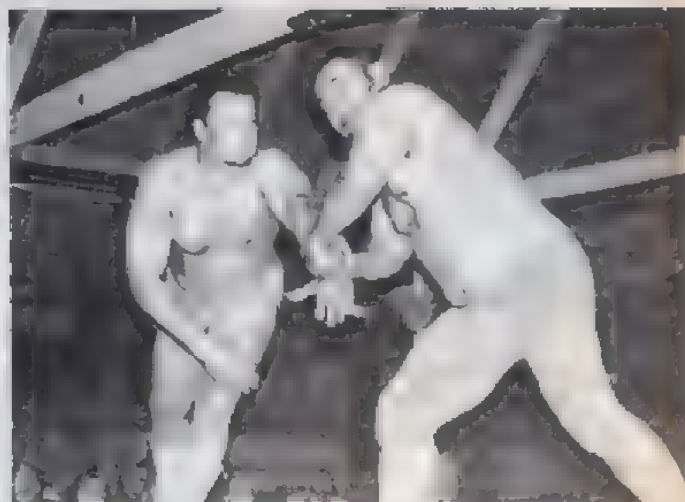

With Cruz on his knees, Shibuya switches to a wrist lock in an attempt to make his opponent concede the match.

◀ A test of strength as Kenji Shibuya and Manuel Cruz are locked in hand-to-hand combat.

Shibuya takes the upper hand as he forces Cruz to his knees, and the Japanese wrestler continues to apply pressure.

Unable to force Cruz to concede, Shibuya decides to soften his opponent up by tossing him into the turnbuckle.

◀ The roles are reversed this time as Cruz applies pressure on Shibuya's wrist and the dishonorable Japanese grappler obviously isn't enjoying the turn of events.

Cruz continues to make Shibuya's life miserable as he goes to work on a combination arm and wrist lock which has Kinji gritting his teeth in pain.

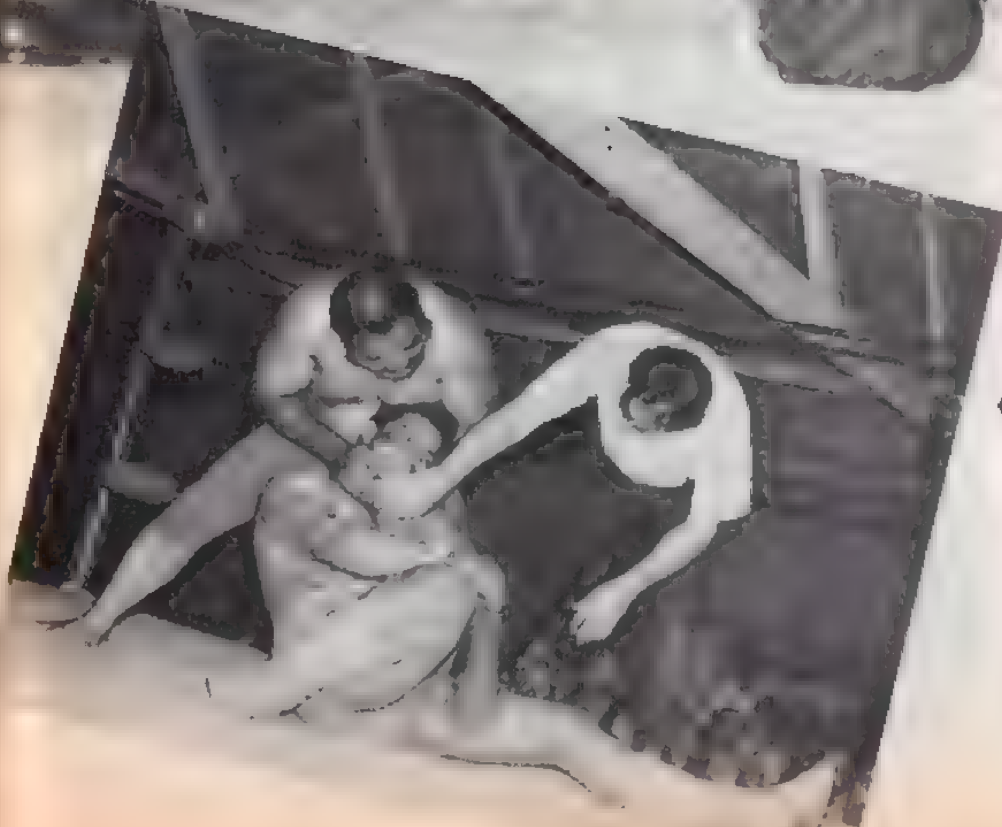

After absorbing punishment, Cruz gets a chance to dish some out as he catches Shibuya in the surf-board hold.

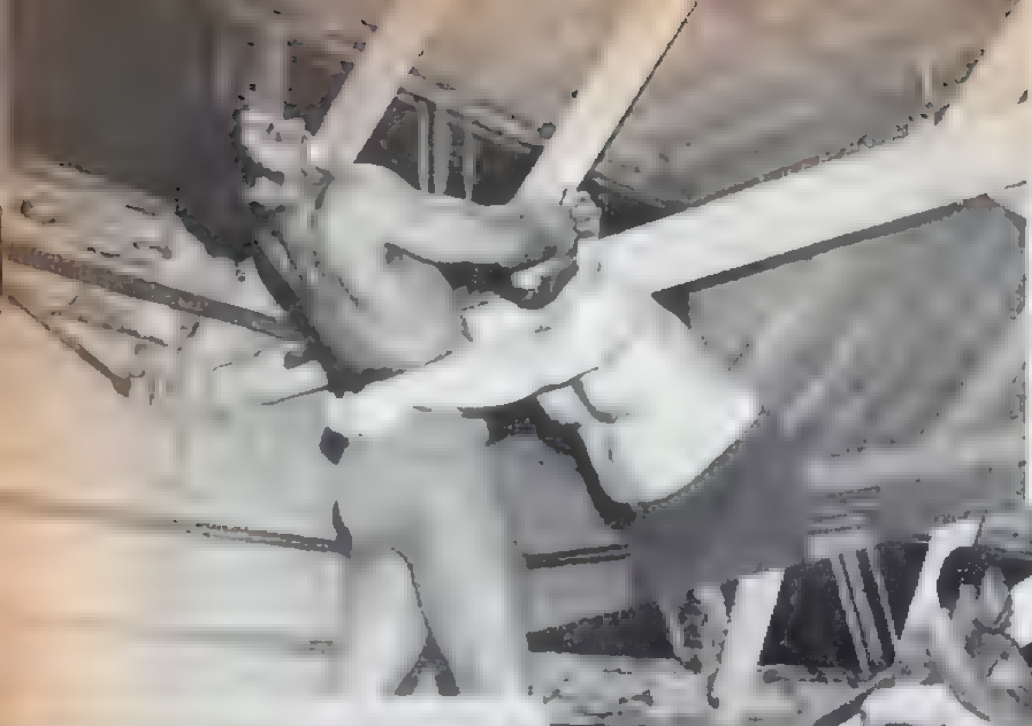

Shibuya points out that Cruz has his fist doubled up as Manuel backs him against the ropes and prepares to throw a haymaker.

▲ The referee asks Cruz if he wants to concede as Shibuya goes to work on the fingers as well as Manuel's left arm.

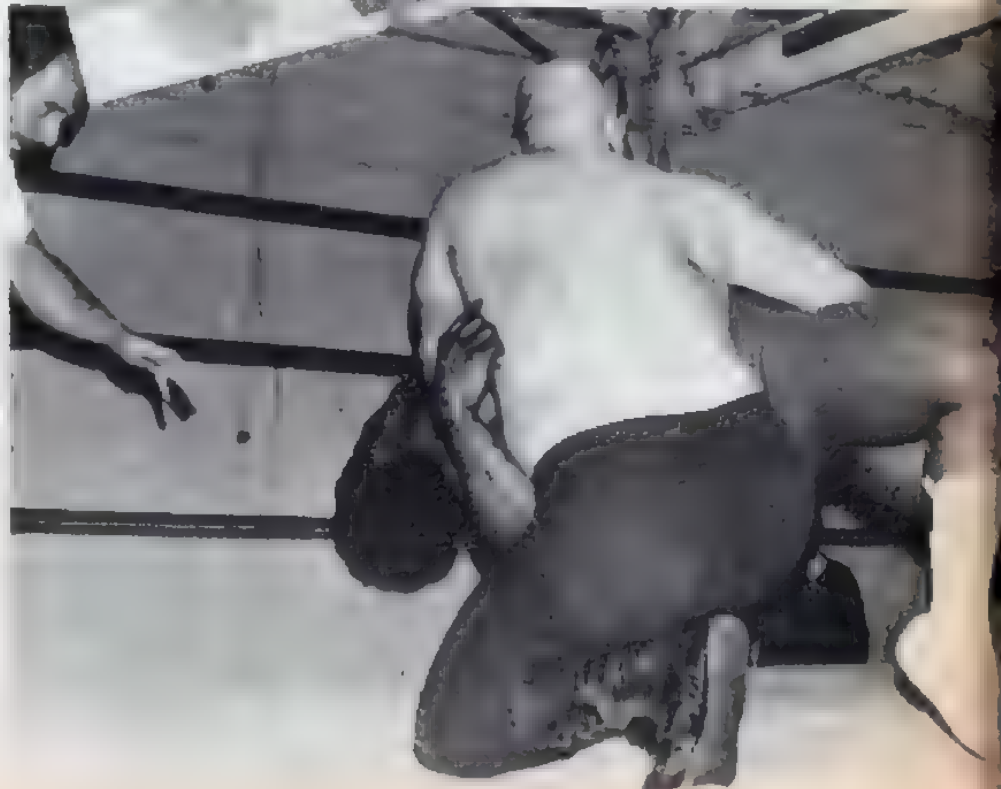

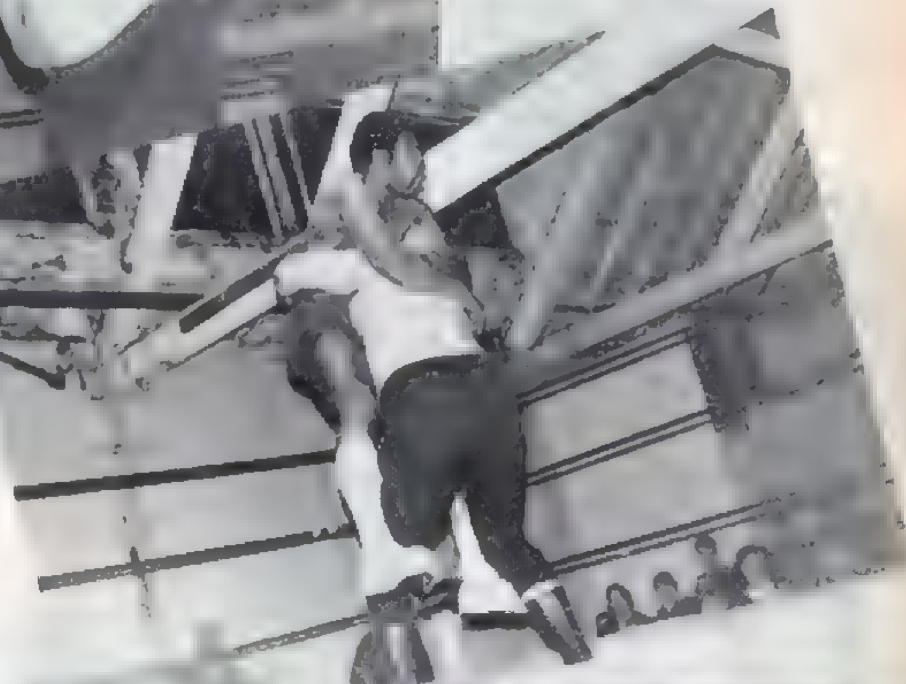

◆ The referee checks to see that it has slipped into a choke hold as Kenji Shibuya is en route to victory by rendering Manuel Cruz unconscious via the dreaded Japanese sleeper hold.

Realizing The Brute is about to apply his vaunted bear hug, Wells struggles to free himself. However, it's to no avail as the Brute's bone-crushing strength not only lifts Wells off the floor but squeezes the air out of his lungs.

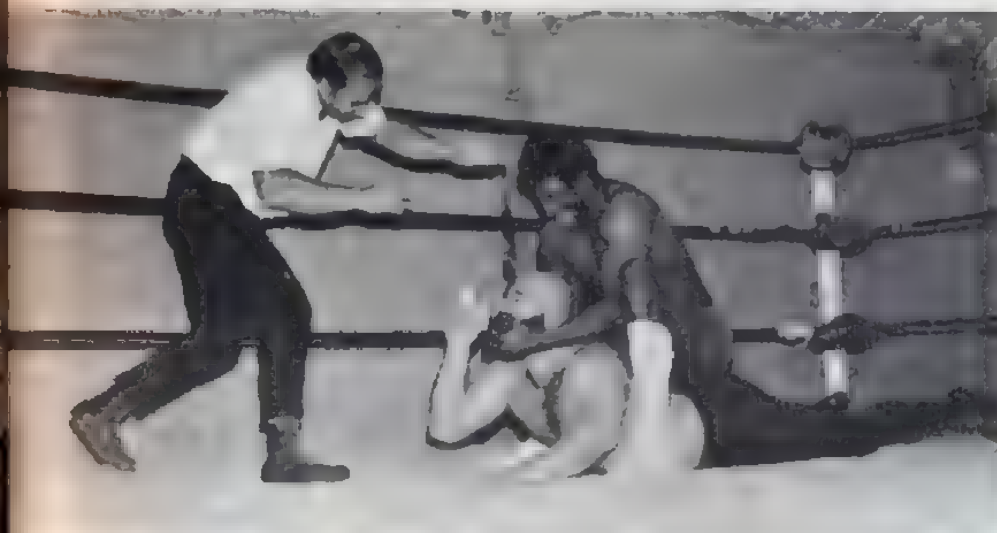

With a helpless Wells draped over his shoulder, the Brute prepares to smash his beaten opponent into the turnbuckle.

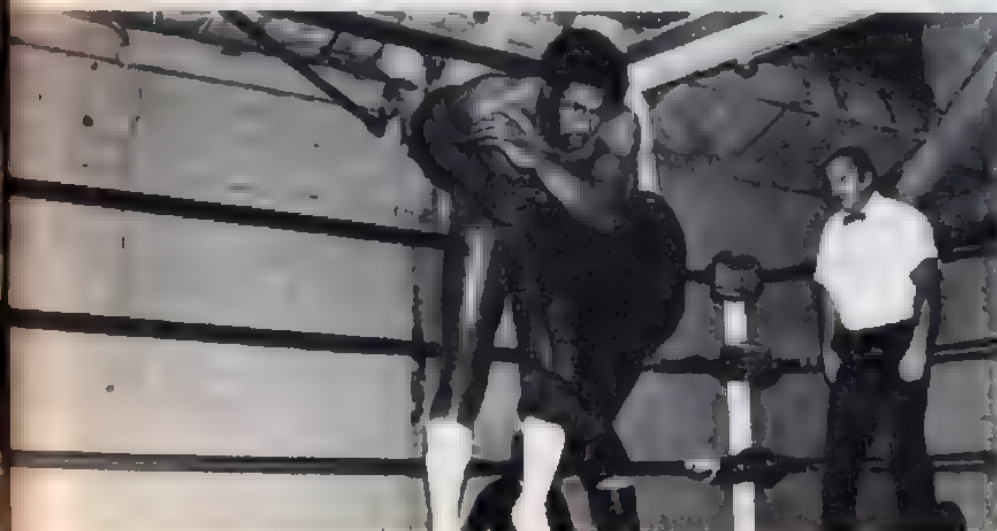

After dishing out needless punishment to his beaten foe, The Brute brings the match to an end by means of a back-breaker.

It looked like Modesto mat fans were going to be treated to one of the year's biggest upsets as George Wells started fast and tried to soften The Bruke up by whipping him into the turnbuckle.

Things looked good for Wells as he caught The Bruke in a chinlock. Despite the pressure being applied by Wells, the bearded bad guy signalled the referee that he wasn't ready to concede defeat.

A vicious knee to the pit of the stomach not only takes the wind out of Wells' sails but also sets him up for the Bruke's violent assault.

INTERNATIONAL **WRESTLING** **SCENE**

By TOM BURKE

Lonnie 'Moon Dog' Mayne, shown stomping on a rival before the bout even got started, is fast becoming Public Enemy No. 1 throughout the Lone Star State of Texas.

The above figure is just here in North America. If we would sit down and compile the attendance in Europe, Asia, Australia, South and Central America the numbers would be astronomical. That is why this column is called the International Wrestling Scene because the grappling game is not limited to just one area of the world but is truly the most international sport known to man. One can find pro wrestling promoted from the tiny fishing hamlet in Maine to the city of Bombay, India.

The fans down in Texas are really astounded over the antics of Moondog Lonnie Mayne. The Lone Star fans

TEXAS WRESTLING FANS FIND SOMETHING FISHY ABOUT MOONDOG MAYNE

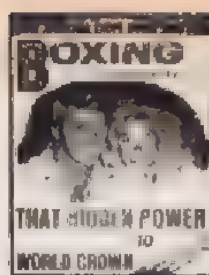

have never seen a wrestler quite like the bearded blond. He has eaten fish on recent TV interviews. Nothing wrong in that you say. Well the goldfish were still alive. The madman is the number one public enemy to the fans in Texas. He has defeated such well known Texas favorites as Red Bastain, Rocky Johnson, El Bracero, Gino Hernandez, Jose Lothario and others, and is top on the hate list from Houston to El Paso.

The wrestling world was shocked over the recent deaths of Sam Bass, Pepe Lopez and Frank Hester. Their untimely deaths took place in Dickson, Tenn., when Sam Bass lost control

The sport of professional wrestling has become the leader in spectator sports in North America in the last 12 months. This has out-drawn other sports such as boxing, pro and college football, baseball, basketball, auto racing and other spectator sports. The mat sport is the only sport that is promoted 365 days a year and all around the world.

of the car he was driving. This trio of mat greats will be missed by their many fans and wrestling associates. Lopez and Hester had been teaming as the Masked Dominoes and were one of the most unique teams ever to wrestle in the South.

Ballet dancer-wrestler, Ricky Starr is back in Europe after a fast tour of Mexico and other countries in Central America. The popular Fu-Man-

Chu mustached grappler has become an expert in the ancient art of Kung-Fu. He has his opponents in a complete state of bewilderment with his various moves and actions.

Ricky may be coming back to the wrestling scene in the States in 1977 if he gets time off from his various bookings on the European mat circuit. He is about the most popular wrestler ever to appear on the Con-

tinental from the States. We wish Ricky all the luck in the world and hope to see him back Stateside in the course of the new year.

Officials at the Cobo Hall in Detroit, Mich., have to have extra security guards on duty when Steele is scheduled to wrestle since he is the most unpredictable wrestler ever to hit the Motor City. In recent months The Animal was destroyed everyone that promoter Francis Flesher has signed to meet him. The aim of the tank-like wrestler is to secure a match for the U.S. title that is currently held by The Sheik. So far, Eddie Creachman, the manager of the Sheik, has been able to avoid getting his protege to sign for a match against 'the Animal'. It would be one of wrestling's all time exhibitions of brutality if these two guys are ever signed to a match.

Fans in Vancouver, British Columbia, have been seeing some top-class wrestling talent with the likes of Carlos Rocha, Dutch Savage, Gene Kiniski, Kenji Shibuya, Ricky Hunter, Johnny Quinn, Buck Ramstead, Billy Francis, Bob Harnes, Johnny Khan, Don Leo Jonathan, Jimmy Snuka, Luke Brown and others. This area has been one of the best in the Maple Leaf country for sometime. Always a lot of action on the British Columbia circuit.

Big news from the AWA circuit. The Bruiser and Crusher lost their AWA tag-team belts to the duo of Blackjack Lanza and Cowboy Bob Duncum. Chicago promoter Bob Luce has signed a rematch for a big card in the windy city. We hope to have a complete rundown on this big event as well as the results for the whole

Although his appearance has changed considerably, the one and only Ricky Starr is still packing them in on the European mat circuit. Starr is reportedly ready to return to the United States grappling circuits this year.

George 'The Animal' Steele, lives up to his nickname as he tries to crush his opponent with the timekeeper's table. Steele has his sights set on a match with The Sheik.

card. So keep on reading this magazine for the best in wrestling news.

Over in Southern California there is a little action going on between two rival promotional groups. The old, established NWA branch of the Hollywood Wrestling Office is getting some competition from a new group known as the Pacific Coast Wrestling Promotions. The new group has some top-flight talent, such as; John Tolos, Billy Superstar Graham, Mil Mascaras, Ivan Koloff, Rick Drason, Rock Riddle, Crazy Luke Graham and others. The NWA office has some top talent too in the form of Butcher

Vachon, Roddie Piper Crusher Verdu, Tony Rocca, Rip Tyler, Eddie Sullivan, Chavo Guerrero and others. The wrestling fans in Southern California will be in for some hot action in the next few months.

The team known as the Mercenaries are on a world-wide tour and ready to meet and defeat any team that is signed to go against them. A real rough team this combo has held the International tag-team Title as recognized by the International Wrestling Enterprise in Japan and the Far East, The Middle East tag-team title, the Maritime tag-team championship

▲ A familiar sight to wrestling fans throughout the grappling globe, The Mercenaries raise their arms in a victory salute following another impressive triumph.

◆ One of Britain's top junior heavyweights, Tony St. Clair is contemplating a tour of the United States.

of Canada and other titles. The team is one of the most impressive that this writer has ever seen, and one of the roughest.

Speaking of tag teams the fans in Georgia and other states in the South are up in arms over the tactics of the Valiant Brothers. The blond bombers have been in the area for a few months and made more enemies than Sherman did when he went through Richmond. The Dixie fans are out to drive the two blond Yankees from their Southern soil. It will be interesting to see what team will drive the Valiants home. I doubt it will be soon. The Valiant Brothers are the biggest thing in tag teams to hit the Georgia area in years.

Tony St. Clair recently finished a tour of wrestling in South Africa and is back in his native England. Tony is one of the better lighter men around today. He may be coming to the U.S.

A veteran of the grappling game, John 'Wolfman' Smith is still going strong in the Carolinas and Florida.

for a crack at the NWA world junior heavyweight championship. It would be great to see the junior heavies become more active in the States and **Canada.**

Veteran John "Wolfman" Smith continues to wrestle in the Carolinas and more recently in Florida. He has been a long-time favorite of many of the old timers that attend the wrestling cards in the South and the moves and agility of the old boy are still there. John used to team with his brother Al to form one of the most famous of the early tag teams in the 60's known as the Smith Brothers. John continues to hold down the family name in wrestling.

Action out in Phoenix, Arizona, continues with a lot of interesting

wrestling talent down there. At last count there were three groups trying to make a go of it down there. Seems that the Arizona wrestling fans are lucky. Not really, according to wrestling fan Jimmy Mark from Goodyear. He says in a recent letter that he would prefer to have only one group promoting wrestling with all energies put forth to bring in some big-name stars and some television matches. All three groups are promoting without the benefit of TV.

HOW TO COMMAND POTENCY

at will . . . with a series of simple mental and physical exercises, that take only minutes a day, BUT THAT MAKE YOU "ALL MAN" TO YOUR WOMAN ANYTIME YOU CHOOSE TO DELIGHT HER!

As easily and automatically as this

Let us repeat this simple promise: A Method for Commanding FULL EROTIC POTENCY has now been discovered! And you may now learn it, in the privacy of your own home, without risking a penny!

How is this done? In these two scientifically proven ways

First, by gaining at last masterful control over the "switch" that connects your brain to your sex organs! So that you too, at will, your buried love power! Repose sexual insecurity with total self-confidence! Gain instant arousal . . . become every inch the lover Nature meant you to be . . . actually find yourself performing better in bed than you can possibly remember from the very best era of your youth!

And — equally as important —

By deliberately strengthening those "forgotten muscles" that are used only in the act of love, and therefore grow almost useless in the average man after he leaves his twenties! And taking those hidden "support" muscles, and building in a few minutes every day such rock-hard strength into them that you will achieve at last complete mastery of your own virility . . . show most dramatically in your new-found ability to maintain "staying power" for "unbelievably" long periods of time!

Does it really work? Can such a sexual transformation be achieved in such a short time? Read the DOCUMENTED CASE HISTORIES in this book, and see every shadow of a doubt vanish from your mind!

For example:

Read why 60 and 70-year olds, who had given themselves up as far as the bedroom was ever concerned

Can a woman teach men Super-Potency? The answer is an overwhelming YES!

Take a renowned teacher of "Psycho-Control" (the power of the mind, if properly trained, to completely master the vital functions of the body) Give her twenty-plus years of success in teaching both men and women to lose weight at will . . . break the cigarette habit at will . . . snap out of allergies at will. And then let her direct these same mind-over-body disciplines to the most important "I-I-could-only-command-it" area of all!

What happens? Breakthroughs — documented again and again and again — for men of all ages, and all problems, giving new-born virility they couldn't have believed possible only a few short weeks before!

Read these thrilling case histories yourself in Rachel Capelen's revolutionary new book — and read them entirely at our risk! And then take the exact same Potency Techniques that she is teaching for up to \$100 a week in her nationally famous Sex Clinic in New York City . . . and see them transform YOUR sex life — today — entirely at our risk!

again, have suddenly found themselves MORE sexually-active . . . MORE sexually-able . . . MORE sexually-competent than they were at their 30 or 40-year-old peak!

Read how one young man went through his first twenty-some years thinking continually that he was "born to be" a "sexie cripple" And then read how — only a few short months later — one of his girl friends said in a research interview: "Once a woman has been with a man like Eric, all other men seem second-rate!"

Read of the 70-plus year old man who now keeps several girl friends busy — including one 23-year old beauty who is perfectly willing to admit to anyone that THIS man is (in her own words) "terrific" in bed!

And then go on to duplicate these men's transformations with your own! And build a massive virility into your own body with ingenious "training devices" like these . . .

The first step: The simple "Potency-Restoring Ritual" that costs nothing . . . is completely private . . . gives extreme pleasure while you use it . . . and may have your women gasping in surprise that very same evening!

What to do about "sexual hang-ups"? How to "De-Block your Yuck-On Channels" — in minutes!

How to take your "Erectile Nerves" out of deep-freeze! In other words, FEEL two, three and four (yes, as much pure sensation from every minute of love as exactly the same time that you have right control over every reflex in your body, so you can CONTINUE that sensation as long as YOU wish to continue it!

The safest, and surest, way to prevent prostate trouble

How to keep the Youth juices flowing in your body! In other words, use these simple exercises, not only to make you a master in bed, but also to "Re-Landscape" your face and body so you may have to reject more offers than you accept!

Sexual Breeding! Known by the Yogis, but almost completely forgotten in our day! (One of its many uses — to remove, for good, the false limitation that keeps you now from making brilliant love for hours . . . or, if you so choose, all night!)

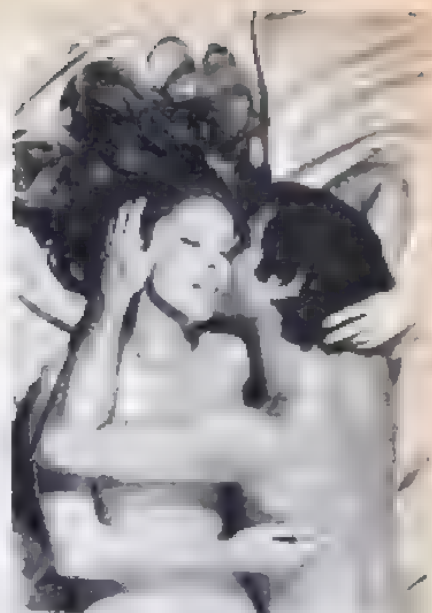

Super Circulation! Perhaps the most startling technique of all! How, in essence, to "re-direct" massive blood flow to ANY part of your body, and therefore achieve a virility and expansion that you may not have dreamed possible before!

But this is still not all! Now this amazing volume goes on to give you ALMOST-HYPNOTIC POWER OVER WOMEN, from the very first moment you meet!

But mastery of your own body is incomplete (as you it is combined with mastery of the other person's body (and sometimes) as well! So now you are given the final step: How to demand more . . . and more . . . and more from your woman, and make her love every step!

For example:

What women prize in a lover most . . . what they

expect . . . what they fear . . . what turns them on and drives them wild . . . what sex-bed actions allow them to trust you completely in bed? All gathered for you, in condensed form, from "extensive" interviews with hundreds of women all over America!

How to turn out the lady who wears a "psychological chastity belt"! Snap her out of her "sexual shock" for perhaps the first time in her adult life! Turn her on completely, so she'll do with you what she'd never think of doing with anyone else!

How to spot the highly-sexed woman, before you even begin talking to her! (No, she is NOT promiscuous! She wants her shadow for special man. But, once you convince her this way, that you're that man, then get ready for the greatest night of your life . . . for yourself!)

How to let a woman know, without offending her in any way, that you will thrust her in bed, within five minutes after you meet her.

How to procure a woman for unbridled love! (For example, on page 234 you will find a new method of kissing that may actually send her into spasms of ecstasy before you lay a finger on her body! And wait till you read the pages after that!)

So what you have here is a revolutionary new Handbook, not only to massive sexual potency, but to complete mastery in bed! And it's yours to read from cover to cover, entirely at our risk!

Why not send for it, with the No Risk Coupon, today. Your full money back, of course, if you are not delighted.

Jean Antone acknowledges the cheers of her fans as she is introduced prior to a bout.

SHORT IN SIZE, LONG ON TALENT

ELLA WALDECK STARTED JEAN IN WRESTLING

If you combine beauty, skill, grace and determination to win a match you have the very lovely professional lady wrestler, Jean Antone.

The reason that Jean has to use a little more skill and grace than any other woman wrestler is because of her size. But don't let her size fool you because she's always outthinking and outsmarting her opponents. She may be the shortest woman wrestler in the world, but she's also the toughest. You'd have to see this fantastic wrestler in action to believe how great she really is.

Miss Antone stands four feet, 11 inches tall, weighs 121 pounds and is 32 years old. She was born in the state of Mississippi.

She first became interested in being a professional wrestler when she was 14 years old. She always went to the matches when she was a kid. She'd sit in her ringside seat every week thinking how someday she'd like to be part of what she saw.

When Jean turned 16 she talked to a few of the women wrestlers in her home town about training her. Most of them said no because of her size, but there was one woman who said she'd be glad to train Jean. Her name was Ella Waldeck, one of the greatest women wrestlers of her time.

Ella and Jean began training six months before her 17th birthday. They worked very hard day in and day out for six months Ella taught Jean everything she knew about wrestling.

When Ella thought Jean was ready to make her debut in the world of professional wrestling, she had her booked to wrestle Ada Ames, a veteran of the mat world.

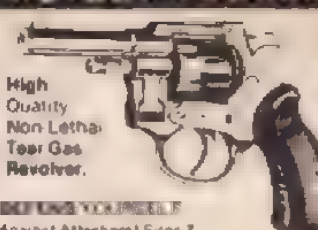

Jean was 17 when she wrestled her first professional match. She still remembers the day, it was on the seventh day in June, 1961. She says it was probably the roughest match she's ever had. Winning your first match is one of the greatest things a professional wrestler can do.

Jean not only won her first match but has almost won every one since then. She has defeated such women as Kay Noble, Betty Niccoli, Maye Weston, Sandy Parker, Jessica Rogers and Sharon Brooks. She's been in the profession for 15 years now.

Throughout her career as a professional wrestler she's travelled the whole world and wherever she goes people are always thrilled to see her in

action. She's appeared in such places as: The Pacific Northwest, Hong Kong, Japan, Australia and throughout the United States, Canada and South America.

The first time I saw Miss Antone wrestle was in the state of Oregon, when she successfully defeated black star, Sandy Parker.

When it comes to tag-team partners, Jean's had very few. She mostly wrestles in single matches. Of course when you're as great a wrestler as Jean Antone you don't need a partner to help back you up.

Her first tag-team partner was Princess Little Cloud.

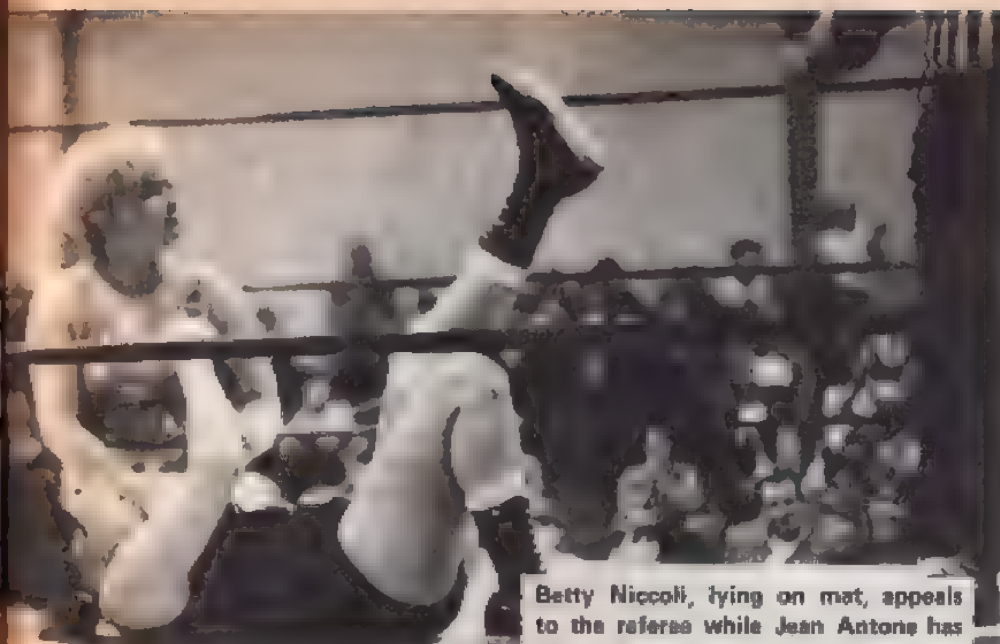

Their first tag match was against the team of Betty Niccoli and Kay Noble. Jean and Little Cloud were one of the best women teams around while they were together.

BETTY NICCOLI TOUGHEST FOE

Her only other tag-team partner has been Susan Green. While Jean and Susan were partners they defeated such teams as, Sandy Parker and Paula Kaye as well as Betty Niccoli and Paula Kaye.

Jean's been pretty lucky, the only ring injury she has suffered is a dislocated elbow. This happened on three different occasions. Doctors once said she might never wrestle again because of her elbow, but with the determination she has, she's still wrestling and is still rated among the top 10 women grapplers in the world today.

In her career as a professional wrestler she's come up against some pretty tough opponents, but the toughest is Betty Niccoli. No matter where these two meet they always try to beat each others brains out. Someday these two might seriously injure or even kill one another. Jean also considers Kay Noble, Sandy Parker and Vivian Vachon, as some of her toughest foes.

Betty Niccoli, lying on mat, appeals to the referee while Jean Antone has a look of complete innocence.

Not only her toughest battles have been against Betty Niccoli but also some of her bloodiest bouts.

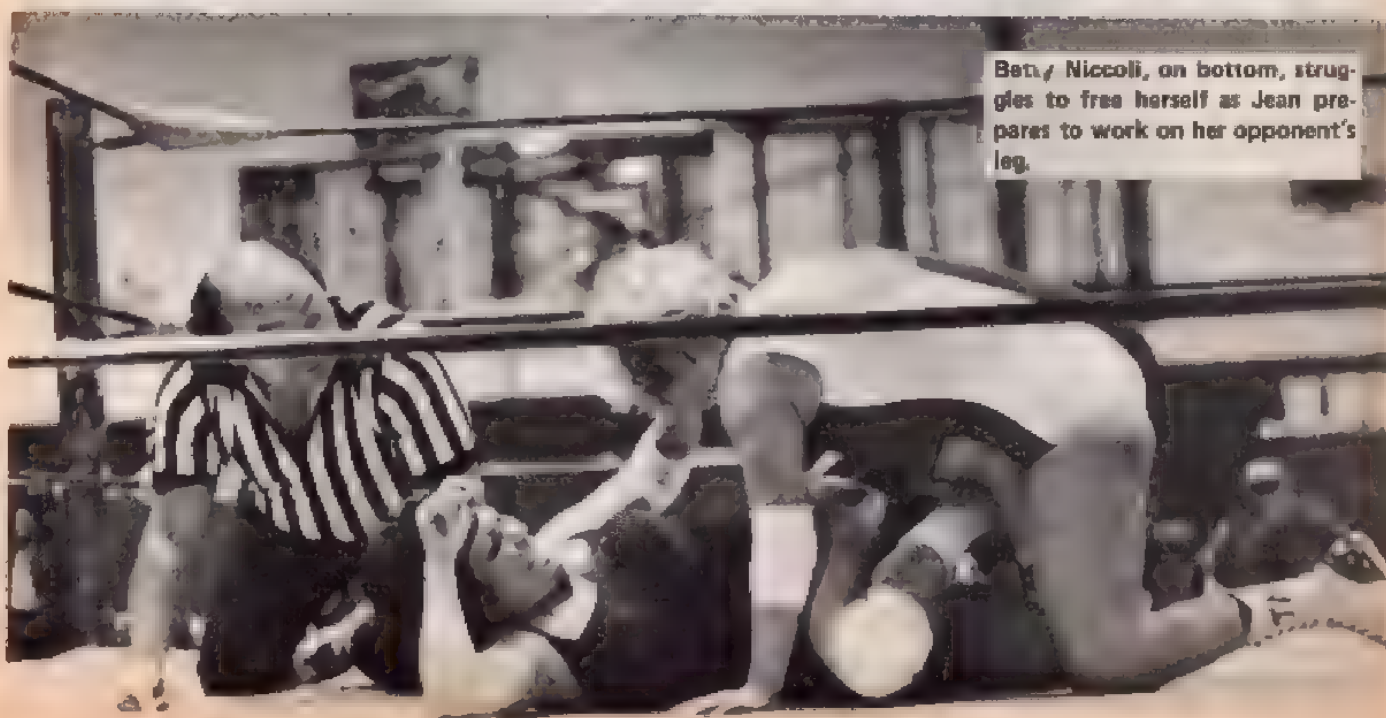

She remembers her bloodiest match very well, it was in Wichita, Kansas, a best-of-three falls match. Jean took the first fall, Betty came back and pinned Jean to take the second fall. During the third fall, Betty hit Jean in the head with a wooden Japanese

sandal. The blood poured from Jean's head, when she had realized what Betty had done to her, she lost all control of herself and went wild. Jean stomped, kicked and even tossed Betty out of the ring. When Betty tried to get back in the ring Jean wouldn't let her. Finally the referee held Jean back so Betty could return to the ring. Jean finally got her

One of Jean Antone's favorite bouts is mixed matches. Here, she holds the head of Fritz Von Schneider so her partner Manuel Cruz can land a haymaker.

JEAN LIKES MIXED MATCHES

revenge as she defeated Betty in the third fall. Jean received six stitches after the match was over.

When in the ring Jean uses all sorts of fantastic holds and manoeuvres. Her favorite holds are the figure four leg lock and the dreaded sleeper.

She only uses these holds when she has to. Most of the time she tries to outsmart and outmanoeuvre her opponents because of her size. She may be small in size but when in the ring she's a giant among the other women wrestlers.

She's been in every kind of match in which a woman can participate. Her favorite is a mixed tag-team match. She teamed up with Darlin Dagmar, the mighty mite is her favorite partner in mixed matches. She has also teamed with The Haiti Kid and recently defeated the team of Sharon Brooks and Little Tokyo.

The one mixed match Jean will never forget was when she teamed with Ricky Hunter and Lenny Hurst against the team of Sandy Parker, Bull Ramos and Fritz Von Schneider. Throughout the match Ramos chased Jean around the ring trying to catch her, because Jean slapped the big Indian's face during the match.

Jean has held several title throughout her career as a professional wrestler. Her most treasured titles were the Kansas State, the Central States and the California State Women's belt. She still holds the California State belt.

With all the titles she's held, Jean deserves to be the women's world champion. Perhaps some day Jean will reign as queen of the women wrestlers.

Until that day, Jean Antone will have to just be content proving that big things come in small packages, as her many mat opponents have discovered.

FAMILIAR FACES ON THE MALDEN MAT SCENE

Randy Burdick lets his actions in the ring speak for themselves. Randy Burdick is living proof that actions speak louder than words and he and his brother, Dan, form one of the most popular tag-team duos in the Southwest.

RANDY
BURDICK

The promotional genius of Henry Rogers has helped put the tiny town of Malden, Mo., on the professional wrestling map.

However, Rogers will be the first to admit that a promoter is only as good as the wrestling talent he brings in to please the wrestling patrons.

Here are thumbnail sketches on some of the grappling stars who have become familiar faces on the Malden, Mo., mat scene:

RANDY BURDICK — A native of Metropolis, Ill., Randy has teamed up with brother Dan to form one of the area's most popular and proficient tag-team combinations.

Randy is one wrestler who believes that actions speak louder than words. "Championships are won by ability and determination, not an individual's way with words.

"I love every minute of wrestling because it is not only a great sport to build self-confidence but also to help overcome that fear of physical pain," states Randy.

CHUCK BAILEY — A keen weight-lifter and bodybuilding enthusiast, Bailey has one of the best developed physiques in the grappling game, and has caught the fancy of wrestling fans as the 'Grappler without a gimmick' because he just gets into the ring and does his thing — wrestling.

"Although it's a means of making a living, if I were told that I was no longer allowed to wrestle professionally I would have to join an amateur club.

"I just can't live without wrestling. It is my life and my one satisfaction. I am only interested in winning not who my opponent is or how much I'm going to get paid," explains Chuck.

RONNIE RICKETTS — A main eventer throughout the grappling globe, Ricketts feels he's ready now for a crack at the world heavyweight championship.

"Regardless of who the champion is, I'm ready to take him on, any

Is it true the amazing secret of TELECULT POWER AUTOMATICALLY BRINGS YOU ANYTHING YOU DESIRE...

And in 10 seconds starts to draw Riches, Love, Fine Possessions, Friends, Power, Secret Knowledge, and much more into your life? See for yourself!

Yes, a staggering miracle has happened: A brilliant psychic researcher has discovered a secret—so powerful that it is said to bring your desires to you, from the invisible world, like a blinding streak of lightning!

Yes, how would you like to be able to sit in your living room, give the command for love, and instantly have your loved one appear at your side? Or give the command for money, and suddenly find a big, thick roll of dollars in your hand?

Now, a daring new book called TELECULT POWER lays bare this magic secret, and shows how it can bring fortune, love, and happiness. And Reese P. Dubin—the man who discovered it—makes this shocking claim...

"Great Wealth And Power Can Be Yours!"

Admittedly, the concept this book proposes is completely opposed and contrary to normal human knowledge and experience. "But at this very moment," says Mr. Dubin, "I have startling proof that I want you to see with your own eyes! I want to show you..."

• "How diamonds and jewels have appeared, seemingly out of nothingness, shortly after the use of this strange secret!"

• "How a man used this method for a pocketful of money!"

• "How a woman used it to fill an empty purse!"

• "How a farmer received a pot full of gold!"

• "How another user Teleported a gold jewel box to her, seemingly out of thin air!"

• "How a woman used this method to regain her lost youth!"

• "How a man, growing bald, claims he renewed the growth of his hair with this secret!"

• "How a woman used it to bring her mate to her, without asking!"

• "How another woman summoned a man to her—out of thin air!"

• "How a man heard the unspoken thoughts of others, with this secret!"

• "How a woman saw behind walls and over great distances, with it!"

• "How a man broadcast silent commands that others had to obey!"

Let us now clearly demonstrate to you the scientific basis behind the new wonderworking, Miracle of TELECULT POWER!

"How Telecult Power Brings Any Desire Easily And Automatically!"

For many years, Reese P. Dubin dreamed of a way to call upon the invisible forces at work all around us. He spent a lifetime digging and searching for the secret. These investigations brought him knowledge that goes back to the dim recesses of the past.

One day, to his astonishment, he discovered that he could actually broadcast silent commands, which others instantly obeyed. Using the secret he tells you about in this book, he tried it time after time—commanding others to sleep, get up and come to him, talk or not talk—and act according to his silent wishes. It worked every time!

Working relentlessly from this evidence, Reese P. Dubin succeeded in perfecting a new kind of instrument—called a Tele-Photo Transmitter—that concentrates your thoughts, and sends them like a streaking bullet to their destination!

OTHERS OBEY SILENT COMMANDS: Writing of the success of this method, one user reports the following experience:

"I willed her to pick up and eat a biscuit from a plate in a corner of the room. She did so. I willed her to shake hands with her mother. She rushed to her mother and stroked her hands..."

"I willed her to nod. She stood still and bent her head. I willed her to clap her hands, play a note on the piano, write her name, all of which she did."

"No one can escape the power of this method," says Mr. Dubin. "Everybody—high or low, ignorant or wise—all are subject to its spell! And unless the person is told what's being done, he will think the thoughts are his own!"

HEARS THE THOUGHTS OF OTHERS! Experimenting further with the Tele-Photo Transmitter, Reese P. Dubin soon found that he could

"tune in" and HEAR the unspoken thoughts of others. He says, "At first, these hearing impressions startled me, and I took them for actual speech, until I realized that people don't usually say such things aloud! And their lips remained closed."

SEES BEYOND WALLS, AND OVER GREAT DISTANCES! Then he discovered he could pick up actual sights, from behind walls and over great distances! And when he "tuned in" he could see actual living scenes before him—as clear as the picture on a television screen!

MAKES WOMAN APPEAR—SEEMINGLY OUT OF THIN AIR! With mounting excitement, Reese P. Dubin launched one of the most exciting experiments in the history of psychic research. He wanted to see if the Tele-Photo Transmitter could bring him an actual material object! He chose, for this experiment, the seemingly impossible: an actual living person!

He simply focused the Tele-Photo Transmitter, by dialing the object of his desire. In a flash the door burst open, and there—standing before him, as real as life—was his long-lost cousin!

He stared and rubbed his eyes, and looked again! There—smiling, with arms outstretched in greeting—stood living proof of the most astounding discovery of the Century!

Dial Any Treasure!

You'll see how to use the Tele-Photo Transmitter, to summon your desires. This special instrument—your mental equipment—requires no wires, and no electricity. "Yet," says Mr. Dubin, "it can teleport desires, swiftly from the invisible world."

When you dial your desire—whether for riches, love, or secret knowledge—you capture its invisible, photoplasmic form, at which point "it starts to materialize," says Dr. Dubin.

"Telecult Power can work seeming miracles in your life," says Mr. Dubin. "With it, it is possible to dial any desire—called a Photo-Form—then sit back, relax, and watch this powerful secret go to work!"

"Instantly Your Life Is Changed!"

With this secret, the mightiest force in the Universe is at your command! "Simply ask for anything you want," says Mr. Dubin, "whether it be riches, love, fine possessions, power, friends, or secret knowledge!"

Suppose you had dialed Photo-Form #2 for Jewels, for example. That's what Margaret C. did, in an actual example Mr. Dubin tells you about. Rich, glittering diamonds and jewels literally appeared at her feet: a pair of gold earrings, which she found that morning... a surprise gift of a pearl necklace, and matching silver bracelets... a beautiful platinum ring set with emeralds and diamonds, dropped on her front lawn!

"Almost overnight," says Mr. Dubin, "it can start to multiply riches, bring romance and love... draw favors, gifts, new friends... or anything else asked for! It isn't necessary for you to understand why. What is important is that it has already worked for many others... men and women in all walks of life... worked every time... and it will work for you, too!"

Brings A Pocket Full Of Money!

You'll see how Jerry D. used this method. He was broke a week before payday. All he did, he says, was to dial Photo-Form #1. Suddenly he felt a bulge in his pocket. Lo and behold! He took out a roll of money... five, ten, twenties... and more! Obviously, it had been placed there—but when? And by whom?

A Brand New Car Comes!

Marty C., a taxi driver, reports that he just dialed Photo-Form #4, sat back, relaxed, and waited for things to happen. In a short time, great excitement filled the house. His wife came hurrying in, saying, "We won it! We won a car and a cash prize! They just delivered it!" He got up and went to the window. There, big and beautiful,

standing in the driveway, was a brand new Cadillac!

Brings Mate Without Asking!

Mrs. Conrad B. reports that she was tired of "pursuing" her husband, as she called it. She wanted him to voluntarily do the things she longed for, take her places, show affection. But he hadn't looked at her in years. He would fall asleep immediately after supper, or watched the ball games, or read the papers. Secretly Mrs. B. decided to try this method. She dialed Photo-Form #9 for Love! Instantly, her husband's attitude changed from boredom to interest and enthusiasm. And from that day forward, he showered her with kindness and affection! It was like a miracle come true!

The Power Of This Method!

There are so many personal experiences which I could recount, stories of healing, wealth, and happiness with this secret, that I find myself wanting to tell all of them at once. Here are just a few...

• **REGAINS HAIR GROWTH!** Walter C. had a shiny bald head with just a fringe of white hair showing around the edges. He tried this method, and soon his hair began to regrow. The new hair came in thick, dark, and luxurious!

• **ROLLS DICE 50 TIMES WITHOUT MISSING ONCE!** You'll see how this secret gave Albert J. the power to roll the dice 50 times, without missing once, and—for the first time in the history of Las Vegas—walk away with \$500,000!

• **DISSOLVES ALL EVIL!** You'll see how this amazing secret revealed to Lawrence M. the people who were trying to make him look silly at work—actually revealed their secret thoughts—made them confess and apologize!

If TELECULT POWER can do all this for others, what riches, what rewards, what amazing results can it also bring to you?
